

TYPES OF CREDIT

CME Resource provides NetCE as a resource to healthcare professionals. With over 300 hours of accredited continuing education available online, nurses, physicians, physician assistants, psychologists, dental professionals, behavioral health professionals, certified surgical technologists, massage therapists, and nursing home administrators may use our web site to fulfill their continuing education requirements.

Nurses

Requirements by state.

- CME Resource is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
- CME Resource is approved as a provider of continuing education in nursing by the American Association of Critical-Care Nurses (AACN) Certification Corporation. Provider #00012762.

Physicians / Physician Assistants

Requirements by state.

- CME Resource is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
- Designated courses have been approved for AAFP Prescribed Credit. See individual courses for details.
- Designated programs have been reviewed and are approved for clinical Category 1 (Preapproved) credit by the Physician Assistant Review Panel. These programs were planned in accordance with AAPA's CME Standards for Enduring Material Programs and for Commercial Support of Enduring Material Programs. See individual courses for details.

Surgical Technologists

- CME Resource is approved as a provider of continuing education for CSTs and CFAs by the Association of Surgical Technologists.

Radiologic Technologists

- Appropriate CME Resource courses fulfill the requirement for recertification for Radiologic Technologists set forth by the American Registry of Radiologic Technologists (ARRT) as Category B credits.

ABOUT NetCE

Purpose

The purpose of CME Resource is to provide challenging curricula to assist healthcare professionals to raise their levels of expertise while fulfilling their continuing education requirements, thereby improving the quality of healthcare.

Philosophy

The philosophy behind this purpose is based on the belief that continuing education is a lifetime commitment requiring knowledge of current trends and developments in the science, technology, and economics of healthcare. The convenience of provider-directed independent study activities allows healthcare professionals to reach their learning goals, which must be incorporated into their demanding professional schedules.

Education Format

Our unique no-obligation format allows you to:

- Review the course material online or in print.
- Complete the self assessment questions and receive immediate feedback.
- Review your knowledge based assessment.
- Complete the evaluation to receive continuing education credit.

If you have already completed your continuing education for this license renewal, we invite you to enjoy these courses for your own professional development at absolutely no cost. Our contributing faculty members have taken care to ensure that the information and recommendations are accurate and compatible with the standards generally accepted at the time of publication.

The publisher disclaims any liability, loss or damage incurred as a consequence, directly or indirectly, of the use and application of any of the contents. Participants are cautioned about the potential risk of using limited knowledge when integrating new techniques into practice.

Return Policy

Satisfaction guaranteed or your money back within one month of purchase. Please email or mail a brief explanation.

Thank you for allowing CE Resource to be your resource for quality continuing education.
